

# 2015 STATE LONGITUDINAL DATA SYSTEM GRANT

Update as of March 31, 2019

Grant administered from 10/15/2015 through 6/30/2019

## BRIEF DESCRIPTION

The Institute of Education Sciences (IES) awarded \$6 million to the Kentucky Center for Statistics (KYSTATS) for the project, “Expanding Access to & Alignment of Education & Workforce Data to Inform Policy & Practice.”

## ACCOMPLISHMENTS

- Published Work Ready Communities Report.
- Updated and published the Kentucky Future Skills Report.
- Published the Local Workforce Area Dashboard.
- Published the Career and Technical Education Feedback Report.
- Published the 2018 Postsecondary Feedback Report.
- Updated and published the new website design.
- Conducted two Mini-Conferences (Pulaski County and Northern KY).

## GOALS BY END OF FY2019

- Publish Phase 2 of the KYSTATS website.
- Integrate apprenticeship data.
- Hold annual conference on September 4-5, 2019 to inform about the work of KYSTATS & gain information about needed data and reports.
- MLDE—Out-of-state outcomes.
- Request no cost extension.

## AREAS OF CONCERN

- KYSTATS funding is unsustainable once this grant is completed.

## PROJECT UPDATE

### KEY

- ✓ Task completed
- ↻ In progress & deadline will be met
- ✗ Delayed & deadline will not be met

- 
- ✓ Developed a dynamic reporting solution that will allow stakeholders to customize current feedback reports to support strategic needs
  - ✓ Expanded the feedback report series to include new reports that address current unmet data needs as defined by stakeholders
  - ✓ Developed a comprehensive training program to inform all stakeholder groups about how to use the dynamic reporting solution & provide professional development about how best to use the data to make impactful decisions
  - ✓ Aligned the Kentucky Longitudinal Data System (KLDS) data dictionary to Common Education Data Standards (CEDs)
  - ↻ Integrate out-of-state employment & earnings
  - ↻ Integrate KY revenue data to address location quality issues within KLDS
  - ✓ Improved access to high-quality, timely data
  - ✓ Deployed a data use marketing plan to increase awareness & use of KLDS

## BUDGET PROGRESS
